Continuation Sheet (PTOL-303)

Application No.

Continuation of 3. NOTE: The claims as amended raise new issues that would require further search and or consideration. Independent claims 1,4, which has now been amended to incorporate "multiple pixels are included within each beam spot", raise new issues that would require further search and or consideration. New issues also arise from applicant's claim of "wherein each detector array detects multiple pixels from one of the beam spots." This issue which is located in amended claims 1,9 raises new issues that would require further search and or consideration.
